Loblaw_Storyboard Social Media Video Training

Edition 2025 - Feb, 12th 2025

PROJECT OVERVIEW: LEVEL UP YOUR SOCIAL MEDIA GAME

Objective
This video is designed to help employees enhance their understanding of social media and create impactful posts that strengthen both their personal and the company's online presence. By mastering the why, how, and when of posting, users will be able to craft professional and engaging content that aligns with brand guidelines.

Scope
The course provides a structured approach to social media posting, covering key principles of effective content creation. It focuses on the strategic importance of posts, the essential elements of a strong message, and the best timing for engagement. Employees will gain practical knowledge to optimize their social media presence and contribute meaningfully to the company's digital communications.

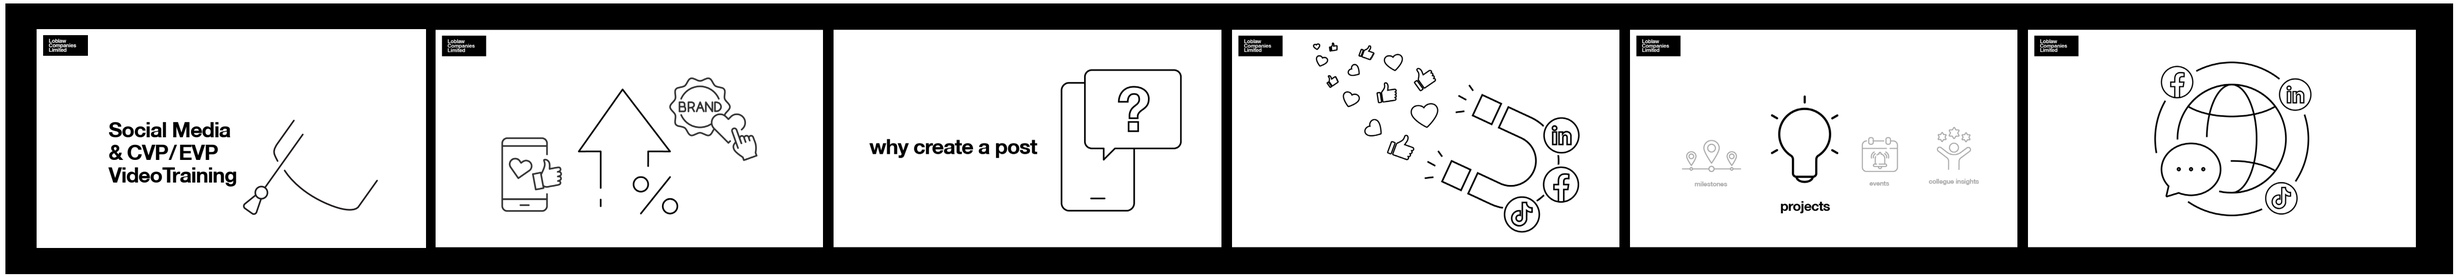

Key Features
- A clear framework for why, how, and when to post
- Best practices for crafting engaging and professional content
- Guidelines on selecting impactful images and text
- Strategies to maximize post visibility and audience interaction
- Tips on aligning content with the company's brand identity
- A call out to watch the Quick Star Tutorial video and follow the Company guideline

Target Audience
This video is designed for employees at all levels who want to enhance their social media skills and contribute to a strong corporate presence online. Whether sharing success stories, industry insights, or company milestones, this guide ensures that posts are effective, engaging, and aligned with corporate messaging and guideline.

Expected Benefits

- A deeper understanding of the impact of social media on brand awareness
- Improved ability to create clear, engaging, and professional posts
- Increased engagement and visibility on social platforms
- Strengthened professional reputation for employees and the company
- Improved consistency with the company guideline
- A more connected and interactive online community

By mastering the fundamentals of social media posting, every employee can become a valuable voice for the company. **Let's make every post count!**

[INTRO - Background music fades in]
[Animated title appears: "Social Media & CVP/EVP Video Training: Level Up Your Social Media Game!"]

Narrator: Welcome! Today we will explore why and how being active on social media can help you and your company grow. A small action like sharing a post can make a difference. Level Up Your Social Media Game!

[WHY CREATE A POST?]

NARRATOR: Being present on social media helps build your professional reputation and strengthen the company's brand.

NARRATOR: You can share milestones, projects, events, or collegues story and insights. Each post contributes to making your work and your company more visible to the world.

NARRATOR: Each post contributes to making your work and your company more visible to the world.

[EVALUATING A POST]
NARRATOR: Before posting, take a moment.

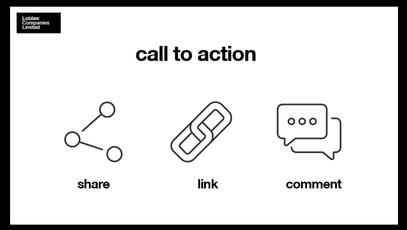

NARRATOR: Does your post clearly and interestingly convey your work? Is it aligned with the company message and guideline? Does it use high-quality images?

NARRATOR: Compare your previous posts: which performed best? What can you improve?

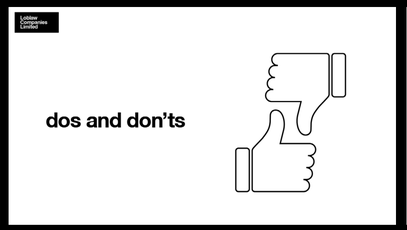

[HOW TO CREATE AN EFFECTIVE POST]
NARRATOR: A good post is simple and direct. Here are some tips:

NARRATOR: Choose an engaging image that aligns with your message. Write clear text, avoiding overly long sentences. Add relevant hashtags to reach a wider audience. Tag colleagues or the company to increase visibility.

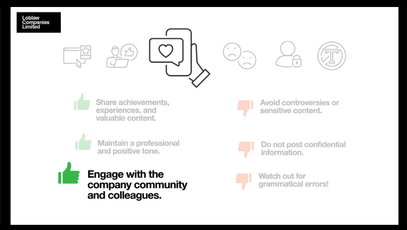

NARRATOR: A key element of a social media strategy is organic social media, meaning naturalgrowth of your online presence without advertising investment. This is achieved by creating authentic and relevant content for your audience. The more genuine and interesting the content, the more it will be shared and appreciated.

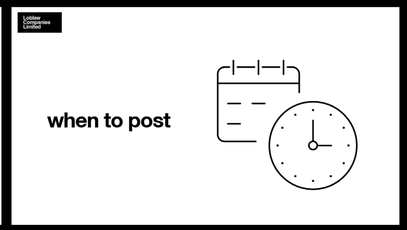

NARRATOR: Don't forget to include a call to action in your post, such as "Leave a comment," "Share your experience," or "Find out more in the link." This helps engage the audience and encourage interaction. For a step-by-step guide on how to create an effective post, check out the Quick Start Video Tutorial available in the Digital Toolkit home page.

[DOS AND DON'TS]

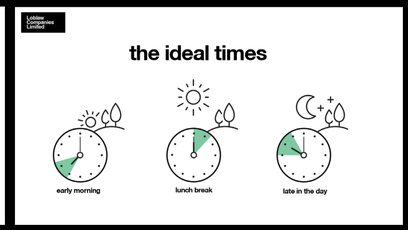

NARRATOR: Some best practices for social media: Share achievements, experiences, and valuable content. Maintain a professional and positive tone. Engage with the company community and colleagues. Avoid controversies or sensitive content. Do not post confidential information. Watch out for grammatical errors!

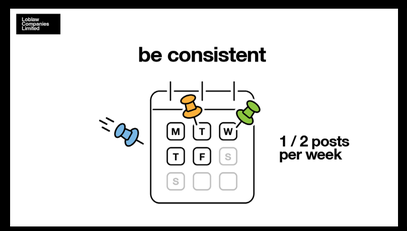

[WHEN TO POST?]

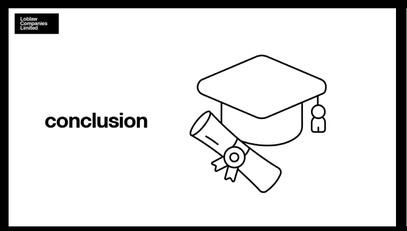

NARRATOR: Timing is everything! The best days to post vary, but generally, Tuesday, Wednesday, and Thursday have the highest engagement.

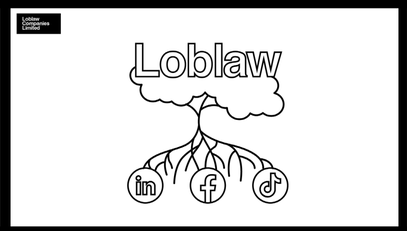

NARRATOR: The ideal times? Early morning, lunch break, and late in the day.

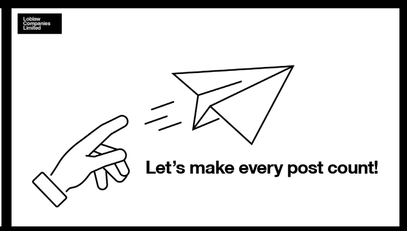

NARRATOR: Also, it is important to maintain a consistent frequency: at least one or two posts per week to stay active and relevant. Experiment and discover when your audience is most engaged!

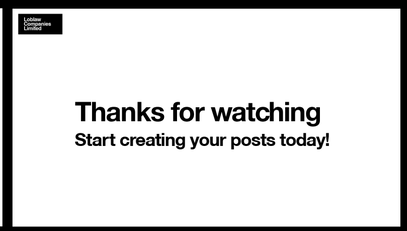

[CONCLUSION]

NARRATOR: Being active on social media is not just useful; it's strategic! With just a few simple steps, you can enhance your work and contribute to the company's growth.

NARRATOR: Now it's your turn: create, share, and make a difference! Publish your next post and join the conversation.

NARRATOR: Thanks for watching... Start creating your posts today!
