PROFESSIONAL EXPERIENCE

GTA Imaging Inc. — **Toronto, Canada**
Client Success & Email Marketing Specialist — *August 2026 – Present*

- Diagnosed email engagement gaps and redesigned email content and customer journey improvements, increasing average clicks per campaign by **3.7x** and click-through rate from **0.3% to 1%**
- Mapped **client onboarding** touchpoints and connected CRM, Zapier, and Google Gemini workflows to automate welcome content and **trigger-based follow-ups** throughout the customer journey.
- Consolidated **CRM data** into an Excel tracker using **macros, pivot tables, and charts** to monitor KPIs, surface performance gaps, and guide content and follow-up priorities.

AO Studio Ltd. — **Toronto, Canada**
Founder & Creative Marketing Consultant — *August 2019 – Present*

- Achieved a **40% repeat-client rate** by delivering tailored creative solutions that encouraged repeat business
- Coordinated events and communications for a 600+ member Slack community; analyzed website, X, and YouTube performance to recommend content and channel improvements
- Analyzed website, X, and YouTube performance to identify traffic and engagement changes tied to social campaigns, translating findings into adjustments to content and channel strategy

T&T Supermarket Inc. — **Markham, Canada**
Marketing Specialist, Media & Communications — *April 2026 – August 2026*

- Managed seasonal social media campaigns using Sprout Social for an Instagram audience of **100K followers**, achieving an **8.6% link click-through rate**
- Executed a Meta advertising campaign for T&T's San Jose store opening, increasing **page visits by 213%** and **sign-ups by 120%** to support pre-opening customer acquisition
- Redesigned T&T's social media visual identity and content calendar to improve brand consistency and planning efficiency, contributing to **5,500+ new followers in three months**
- Coordinated cross-functional launch plans, creative approvals, and consumer messaging for T&T's first California store, supporting a campaign that generated **5.22M impressions** and attracted **500+ customers before opening**

Loblaw Companies Limited — **Brampton, Canada**
Creative Specialist, Talent Strategy & Employer Branding — *April 2024 – January 2026*

- Managed creative timelines, stakeholder approvals, and performance reporting for a YouTube campaign that generated **105,000+ impressions** and **2,500+ clicks in two weeks**
- Standardized **23 career-site banners** in Figma into a reusable visual system, improving consistency across employer brands
- Translated stakeholder feedback and user data into requirements for a **global SharePoint redesign**, coordinating information architecture, asset governance, and workflow improvements
- Managed co-branded campaigns with **PC Financial and retail brands**, coordinating promotional offers and aligning messaging to support **customer acquisition and engagement**
- Co-created and produced **10+ Career Cafe episodes in six months**, coordinating an internal content series supporting career development and employee engagement

Loblaw Companies Limited — **Brampton, Canada**
Employer Branding Intern — *January 2024 – April 2024*

- Synthesized insights from **52 employee survey responses** into a talent-attraction narrative and landing page that generated **1,000+ candidate submissions in 30 days**
- Built a global knowledge and asset system with **640+ templates**, **32 banners**, and thousands of photos, improving asset governance and creative delivery efficiency

Syntax Capital — **Remote**
Community Engagement Intern — *June 2021 – July 2022*

- Coordinated events and communications for a **600+ member Slack community**; analyzed website, X, and YouTube performance to recommend content and channel improvements
- Analyzed website, X, and YouTube performance to identify traffic and engagement changes tied to social campaigns, translating findings into adjustments to content and channel strategy
